Re: 2007 LISC Spring Invite, May 4-6, 2007

Dear Coach/Team Manager,

The Little Illini Soccer Club (LISC) would like to personally invite your team to participate in the 4th Annual Spring Invite. The Spring Invite is based in Champaign-Urbana and is 3 hours or less from metropolitan areas such as Chicago, Indianapolis, and St. Louis. Since the tournament is located in a college town, there are many resources outside of the soccer venue to utilize. The Spring Cup is affordably priced at \$350 for U9-U11 and \$400 for U12-U19. We will strive to offer you the best experience that we can for your teams, children, and parents.

Applications are due by April 1 for the LISC Spring Invite and require that you fill out all the information asked of you in the registration process to ensure best placement in the tournament. Registration information and forms are available at www.liscsoccer.com. We are now accepting registrations on-line under the Spring Invite 2007 link. Payments can be made on-line or by mail to P.O. Box 3871, Champaign, IL 61826. You will receive notification that we received your application. Acceptance notification, pending payment, will be sent to you by 4/20/07.

We request final payment by 4/1/07. Bracketing will be available for review on-line by 4/20/07. Hotel accommodations will be coordinated this year through CSTT. You can access their Web site by visiting our tournament Web site, found at www.liscsoccer.com. This year we will also be assigning a hotel liaison to increase communication between teams and the hotels during the tournament in case there are any issues that we need to be aware of.

We would like to offer you the most competitive environment that we can, as well as try to offer the best possible placement for all teams. We are very excited to be able to provide a positive and fun environment for all involved in the LISC 2007 Spring Invite and will hope you consider us for an enjoyable weekend of soccer. Please feel free to visit our website at www.liscsoccer.com for any additional information. All the best!

Sincerely,

Mike Wilson
Tournament Director
