

LITTLE ILLINI TRYOUT EXPECTATIONS FOR THE PARENTS/PLAYERS

- **Parents/guardians of players must remain by the registration table after dropping off their child at tryouts or remain in their cars. This is done so that the coaches can best evaluate the players without input from the parent(s)/guardian(s).**
- **Within two weeks of the tryouts, each child's tryout number will be placed on www.liscsoccer.com so you know which team they made. You will also be emailed a registration acceptance packet or denial letter within two weeks following the end of tryouts.**
- **Please make sure to accompany your tryout form with a \$10.00 fee for the tryout shirts. Sizes of shirts are not guaranteed at registration. You will be expected to wear the LISC tryout shirt only. You may also register on site if you wish but all children under the age of 18 must have their parents sign the tryout form.**
- **The evaluations will consist of age appropriate activities, small-sided games, and full field games when appropriate. These sessions are for skill assessment only.**
- **Returning players and new players are evaluated in the same manner. There will be no spots "reserved" for any player.**
- **Those wishing to try "up" MUST tryout for their age specific team per their date of birth. This will hold true for individuals who have played "up" in the past as well. Following tryouts, the coaching staff along with the DOC will determine the best placement for the child and will communicate that with those individuals.**
- **The DOC/ADOC and the LISC staff will direct all tryouts. Please leave all evaluating to them and do not approach them during tryouts regarding team placement, etc. Failure to abide by this could result in dismissal from tryouts.**
- **Ages U11 and below will have two equal teams when possible. Ages U12 and up will form a Premier and a Classic team if there are enough numbers for two teams.**
- **Please visit www.liscsoccer.com and review the policies/procedures set forth by the club before trying out for LISC.**
