- INFO:** For more information on the tryouts please visit www.liscsoccer.com. If you cannot attend your try out date for your desired age group you must contact Director of Coaching Mike Kobylinski at 217-355-3190 or by email at: mikekobylinski@liscsoccer.com (see below for information about that as well).

Each age group will be evaluated twice during the week and we encourage attendance at both sessions for our evaluators to get a better assessment. Tryouts are going to be held at Dodd's Soccer Complex not at Brookens! The make-up day for tryouts due to weather is set for Saturday June 13th as well as supplemental tryouts which will be held at the same time. The boys will go from 10:00-11:30am and the girls will go from 12:00-1:30pm on Saturday. If there is a 2nd cancellation during the week for weather then the Saturday schedule will also hold true for Sunday. If you will be on vacation during that time and are an existing LISC player you MUST be evaluated by your coach(s) prior to you leaving for vacation to secure placement for next season. Registration for 09-10 season will be held at the Savoy Recreation Center (402 Graham Dr. Savoy, IL 61874) on July 1st and 8th from 6-8pm (just come on one of the nights to register!)
